PRODUCT INFO

Each Limited Edition poster is printed with high quality ink on premium 180gsm matte paper, then signed, numbered and embossed with a stamp by hand. Posters are supplied in sturdy individual cardboard tubes to ensure a crease free print. If requested posters can be supplied without tubes.

THE PROCESS

Based on nature, people, delicate shapes and colours, Linn Wold creates unique digital art prints with her drawing stylus and screen.

Circle Art

Discover Linn Wold's unique range of circle art. Impress with these ready to hang circular products made from recycled PVC boards. The back of each artwork is signed by hand.

Charlotte - Circle Art

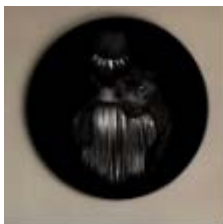

Fly - Circle Art

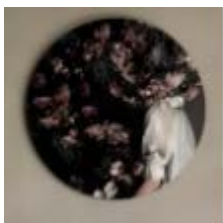

Oya - Circle Art

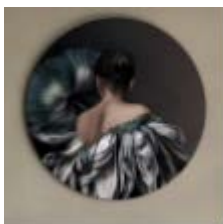

Fay - Circle Art

Kora - Circle Art

Rosa - Circle Art

Blu - Circle Art

PRODUCT INFO

This large scale Circle Art is 75cm in diameter and 1.5cm thick. Every back is mounted with a ready to hang hook and signed by hand.

The circular plates are crafted from Forescolor, an ideal type of coloured MDF, specially developed for furniture production, moldings and decorative elements. This high quality material is environmentally friendly, non-toxic and moisture resistant.

THE PROCESS

Based on nature, people, delicate shapes and colours, Linn Wold creates unique digital art prints with her drawing stylus and screen.
